Did you know that the first fatal car accident in the UK happened in 1896 when a driver ran over a pedestrian at four miles per hour?

NEW CHURCH MEMBERS AND BAPTISMS

In this issue, we celebrate baptisms and new members at our church, Adrienne and Griffin enjoy their birthdays, and our missions intern Kayla concludes her ministry work with us.

Our Ministry

We are incredibly thrilled and humbled by all that God is doing at our church replant! In October we were joined by leaders from a local Kansas City church to teach a hospitality seminar to our congregation called "Your Next Guest." It was a blessing for our church to learn biblical principles on the importance of being a welcoming church in our community.

For our outreach on October 31st, Justin and Kayla handed out candy to over 140 kids and families walking by the church. We also gave out over 1500 church invites to homes in our area.

November turned out to be one of our busiest months yet! We had our very first men's breakfast where Josh had the opportunity to teach the men of our church how to live a godly life. We also began remodeling one of our spare rooms to be a brand new nursery. This is something we desperately need as we continue to grow with many young new families! Since we have more kids coming, Justin began a new class dedicated for our teens. At the end of November we had our first baptism

service since starting this church replant process and baptized 3 people. Praise God! Lastly, we had 5 new members join the church. Please pray for us as our church continues to grow.

Our Family

In October, our family celebrated Adrienne's birthday. Then, a few days later in November, it was Griffin's 9th birthday! He's growing up fast! Thank you for all your birthday congratulations and cards.

Michael, Audrey & Evan get baptized!

Our Field

December 2nd was Kayla's last Sunday working alongside our family and ministry. She has been our missions intern over the last 3 months and has been a wonderful blessing helping us disciple new believers, setup for Sunday worship, assist with church refurbishment, and evangelize within our community. We are so thankful she came to help be a part of what God is doing in southeast London. Please pray for her as she returns home to North Carolina and for her future ministry aspirations.
