## CHRISTMAS, CAROLS, AND OUTREACH

In this issue, our church's Christmas carol outreach and services are a tremendous success, Tarl's parents visit for the holidays, and our church celebrates its 2nd baptism service.

### Our Ministry

The past two months have been an incredible journey as we have begun to see fruit from the various outreaches in our community. We had one of our largest attended services ever for our Christmas carol service with many new visitors and family members. During this service, we were excited to be able to share the Gospel with them, hand out ornamental chocolates and Christmas cards, and fellowship with everyone afterward with mince pies and tea. For our Christmas Day service, it was a blessing to have our church open to introduce even more visitors to the message of Christ. Many of these visitors have continued to come back to our church services.

In January, we had our 2nd baptism service since starting our church replant process. It was such a joy to be able to baptize Debbie (she came to Christ last autumn) and Armand (a young man that we have been discipling). They both have been a wonderful blessing to our church, and we are excited to be a part of their walk with Christ.

### Our Family

Since we spend so many Christmases in the UK, it's always a blessing to have family visit during that time. Tarl's parents came for Christmas, and it was the best gift of all! We even surprised our kids! Then in January, Adrienne's mom visited for a few weeks. We are so thankful for these visits.

### Our Field

In the lead up to our Christmas carol service (typically a big day for churches in the UK), our church began a multifaceted plan for outreach in December. We created new church building posters, put out Facebook adverts for our Christmas services, and gave out invites to over 5000 homes in our community. Our church also took part in a caroling outreach and fundraiser at Tesco (similar to Walmart) where we invited local shoppers to our church and raised £347.75 (\$451) for a local homeless shelter in our community. Praise God!
